REGISTRARS, INC.**

Small Business Program

The success of Perry Johnson Registrars is largely due to the small business clientele that served as the building blocks for our solid foundation. PJR is now a worldwide leader in the field of quality management systems certification. We are as dedicated now as in our humble beginnings to our small business clientele. As proof of our commitment to further developing our small business clientele PJR provides advantages that set us apart from the large competitors.

- We employ seasoned auditors worldwide, experienced in auditing even the smallest customer (1-2 employees).
- Dedicated audit support personnel to schedule audits and answer non-technical questions, serving as a single point of contact with our corporate office.
- In office technical personnel and Executive Committee to address any technical questions that our clients may have.
- Free monthly webinar trainings and access to past training and training materials.
- And so much more...

Why Should Your Business Choose PJR?

- PJR understands the difficulties of the small business owner. We hear all the time, “ISO 9001 is a nightmare! It's so much work!” Our goal is to provide a friendlier approach to certification.
- PJR auditors have an understanding of small business, how they operate, and the resource constraints that business owners have to deal with.
- PJR auditors think outside the box and appreciate that there are different ways to meet the standard requirements.
- PJR provides free webinars on strategic topics monthly.
- PJR conducts risk-based surveillance audits, targeting the areas to best assist the small business improve.
- PJR auditors are human beings. They understand that shop floor employees at a small business are nervous and often intimidated by the audit process.
- PJR provides an official Notice of Pending Registration upon signing registration agreement, which communicates that the organization's certification journey is underway.
- PJR is always conscious of travel cost and we try to save customers money at every turn.
- PJR offers the option of conducting the Stage 1 audit “offsite” to defray travel costs.

PJR, Your Small Business Certification Partner

PJR knows certification and PJR knows small business. For nearly two decades we have provided certification services to small businesses across the globe and across many standards. Our business was built by our small business clientele.

While our range of certification services is diverse and our global reach is wide, we're proud of our client-centered customer service.

- Our dedicated Project Managers welcome the opportunity to answer all of your questions as they provide you with a customized certification service plan and pricing – all free of charge.
- Once you select us as your certification partner, we continue to make the experience easier for you by providing a single point of contact for scheduling and any customer service concerns throughout the certification process and beyond.
- We offer our clients free webinars, information newsletters, industry updates, clients only portal with downloads and access to past audit performance data, and more!
